**PAYMENT INFORMATION: Select how you would like to pay your Midland administrative fees**

- OPTION 1: DEDUCT MY ACCOUNT** (Default option if no payment selection is made)
- OPTION 2: CHARGE MY CREDIT CARD** (If a card was provided upon initial online application set up, future charges will default to that card. Otherwise, a Midland client service representative will reach out for your credit card details and discuss the next steps.)

**MINIMUM BALANCES:** Accounts must keep a minimum of \$250 undirected cash at all times. Midland reserves the right to not process transactions that will result in a cash balance below \$250.

**BILLING CYCLE:** Administration fees will be assessed and due upon initial account opening, initial asset acquisition and annually on the 1st day of your billing cycle. Your billing cycle is defined as a 12-month period from day 1 of the month of your initial account opening. For example, if your account was initially opened on February 14th, your billing cycle would be February 1 through January 31. Fees for asset purchases made after the first quarter of your billing cycle may be pro-rated on a quarterly basis. For example, if you purchase an asset in May, there are 3 quarters left in your normal billing cycle (May-Jan), so your pro-rated asset holding fee of \$325 would be  $\$325 \times 3/4 = \$243.75$ . Fees for assets sold, transferred or otherwise removed prior to the end of your billing cycle will not be pro-rated and/or refunded. Fees paid from your account will be reflected on your account statement.

**PAST DUE FEES:** Fees that remain unpaid for more than 30 calendar days are considered past due. A late charge of \$20 per month will apply. Past due fees will be deducted from your Undirected Cash. In accordance with your Plan Agreement and Disclosures, if there is insufficient undirected cash in your account, we may liquidate other assets in your account to pay for such fees after 30 day notification. Accounts with past due fees will be closed. Any remaining assets in the account will be a taxable event to the account holder and will be reported on IRS Form 1099-R. Account reinstatement eligibility will be determined at Midland's sole discretion. All past due fees, late charges, and a \$150 account reinstatement fee must be paid prior to account reinstatement.

**CUSTODIAN'S FEES:** Midland Trust Company may use and earn income on your uninvested cash, as permitted by law. As the Custodian, Midland Trust Company reserves the right to change all or part of the Custodial Fee Schedule at its discretion with 30 days advance notice. Please refer to the 5305 for the complete disclosure of the uninvested cash policy. A copy of your plan agreement can be found online at [www.midlandtrust.com/5305](http://www.midlandtrust.com/5305) or by calling our office.
