4 PAYMENT INFORMATION Select how you would like to pay your annual fees

OPTION 1: Deduct From My Account
(Default option if no payment selection is made)

OPTION 2: Charge My Credit Card
(Future charges will default to the card provided during account application process)

Billing Cycle: Annual fees will be assessed and due upon initial account opening, initial asset acquisition, and annually on the 1st day of your billing cycle. Your billing cycle is defined as a 12-month period from day 1 of the month of your initial account opening. For example, if your account was initially opened on February 14th, your billing cycle would be February 1st through January 31st. Fees for asset purchases made after the third quarter of your billing cycle may be adjusted accordingly. Fees for assets sold, transferred, or otherwise removed prior to the end of your billing cycle will not be pro-rated and/or refunded. Fees paid from your account will be reflected on your account statement.

Past Due Fees: Fees that remain unpaid for more than 30 calendar days are considered past due and subject to a late charge of \$20 per month. After the 30 day notification we reserve the right to deduct from your undirected cash or liquidate assets. Please see your accounts custodial agreement for full details. Accounts with past due fees will be closed. Any remaining assets will be distributed to the account holder, creating a taxable event reported to the IRS. Reinstatement eligibility is at Equity's discretion. To reinstate, all past due fees, late charges, and a \$250 reinstatement fee must be paid.
